### **Issuance of the Contract Environmental Class V Landfill Permit**

The Contract Environmental Services, Inc. submitted an application to obtain a permit for the Contract Environmental Class V Landfill located approximately 19 miles north of Aneth, Utah. The landfill may accept only asbestos containing material. The Utah Division of Solid and Hazardous Waste reviewed the application and determined it to be complete. The application and a draft landfill permit were released for public comment. The 30-day public comment period was announced in the *Salt Lake Tribune*, *Deseret Morning News*, and *San Juan Record* on January 12, 2005. Response to comments can be viewed at the Division of Solid and Hazardous Waste web page at <http://www.hazardouswaste.utah.gov/swpermittedfacilities.htm>. The permit was granted and becomes effective March 1, 2005.
